RE: Comments on the Draft Work Plan for Site Inspection at Site UXO-08,
Bazooka Range and Gas Chambers at the MCB Camp Lejeune
Located in Jacksonville, NC
NC6170022580
Jacksonville, Onslow County, North Carolina

Dear Mr. Hood:

The NC Superfund Section has received and reviewed the Draft Work Plan for the Site Inspection at Site UXO-08, Bazooka Range and Gas Chamber Site located at the HPIA in IR OU#1. The following comments are included for the Partnering Teams consideration.

General Comments

The Draft Site Inspection Work Plan appears to be in good order and discusses basic requirements and sampling that will be completed to confirm that this site is or is not contaminated with CERCLA waste or Munitions or Explosives of Concern (MEC). It is understood that an additional work plan will be required if hazardous waste or MEC are detected during this phase of the investigation work.

Specific Comments

1. The sections on Soil sampling and Monitoring Well Sampling on pages 3-5 and 3-6 references Figure 3-2 for IR78 soil sample locations and groundwater monitoring well locations. Figure 3-2 is not included in the Report as referenced. Please make appropriate changes in this section and also on page 1-7 and throughout the report where reference to soil borings and monitoring wells are discussed.
2. In Appendix A, Photos #2 and #3 both indicate the date 8/22/44. However, development between Michael and Lewis roads at Gum Street, as shown on photo #3 is not on Photo #2. Gum Street does not extend to Lewis road in photo #2.

Page 2 of 2

Therefore, Photo #3 was probably taken several years later than Photo #2. This is also seen on Map #1.

3. The Health and Safety Plan (H&SP) is under review by David Lilley, CIH and his comments will be provided when complete. Please do not hold up the work due to the review of the H&SP since the contractor is responsible for this Plan.

If you have any questions or comments, please contact me, at (919) 508 8467 or email randy.mcelveen@ncmail.net

Sincerely,

A handwritten signature in black ink, appearing to read 'Randy McElveen', with a stylized flourish at the end.
